

YOUR GIFT MAKES A DIFFERENCE

When you give to United Way of the Southern Tier, you invest in our community and support programs for **children**, **people in need**, and **senior citizens** in Chemung and Steuben counties. United Way focuses on:

KIDS ON TRACK

Build a foundation for learning and success in the next generation through early literacy programs, developmental screenings and supports.

BASIC NEEDS NETWORK

Provide your neighbors in need with adequate food, clothing, shelter, and access to physical & mental healthcare.

SENIOR SUPPORT NETWORK

Ensure senior citizens can live at home with access to meal programs, transportation and home health care.

You choose which focus areas to support or you can support all three by selecting **“YES, I WANT TO BE A GAME CHANGER!”** on your pledge form or digital giving platform.
